Very original, always garage kept, NEW MEXICO Coupe. Recent Packard Blue paint. Excellent chrome. Body super straight, rust-free. Original interior. Beautiful original woodgrain dash. Very clean original engine compartment. Runs, drives, and brakes. Should be driven daily. Needs minor tune up after sitting years in my garage. I do drive it and start it up every month or so, deserves to be driven more often. Very nice original Packard. **Great starter-car for new Packard enthusiast.** \$14,500. Tel: 505-453-8982.
